

Lottery Full — Join Waitlist

See when lottery entry capacity has been reached. Join an optional waitlist if places remain; waitlisted users are waiting for an entry slot and are not yet included in the draw.

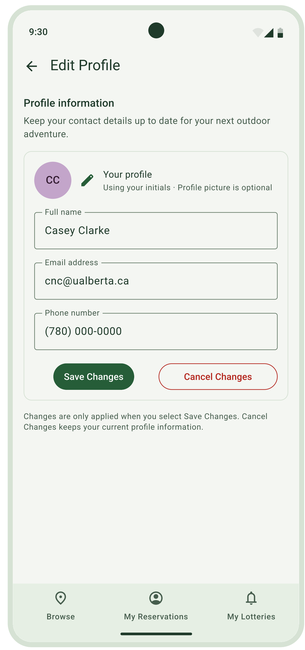

My Reservations — Past

Review previous campsite stays and their booking details. Tap the stars on a reservation to rate and review that campsite.

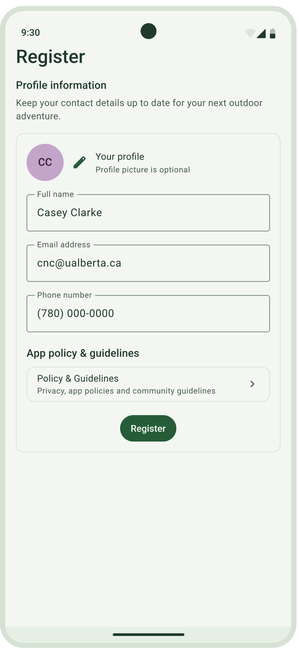

Dates & Lottery

Review campsite lotteries, entry and draw dates, stay windows and available capacity. Enter an available lottery or manage an existing entry or waitlist position.

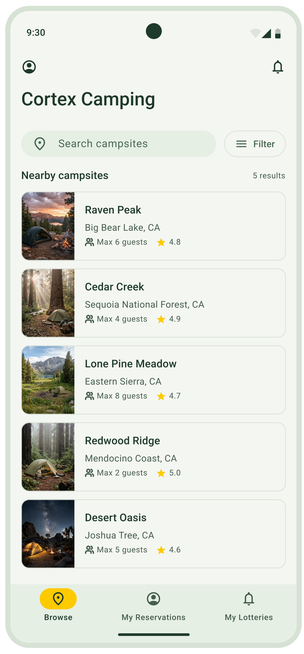

Edit Profile

Update your name, email address and phone number. Save changes to apply the updates, or cancel to keep the current profile information.

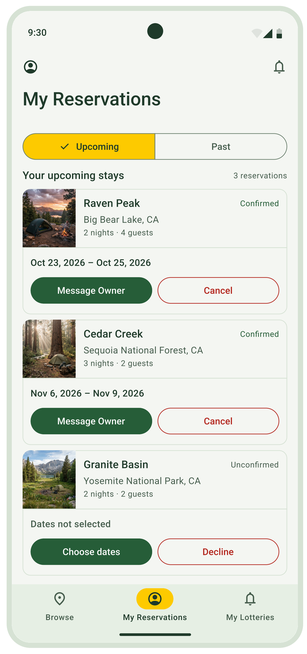

Register

Create a user profile with your name, email address and phone number. Review the app policies and guidelines before registering. A profile picture is optional.

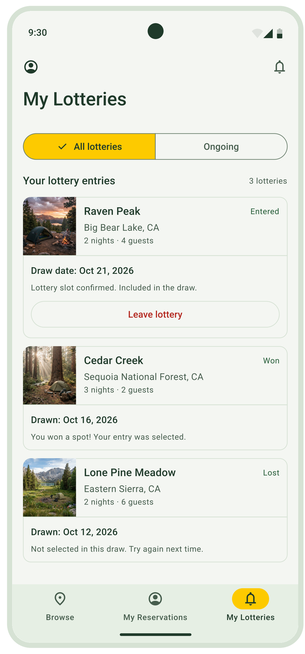

Browse Campsites

Discover nearby campsites, search listings and apply filters. Compare location, guest capacity and ratings, then open a campsite to explore its details and lotteries.

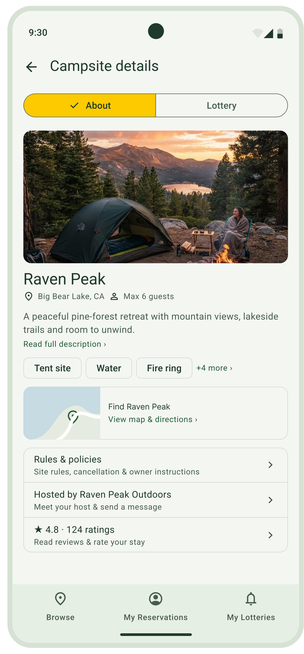

My Reservations — Upcoming

Review upcoming stays and booking status. Message an owner or cancel a confirmed reservation. For an unconfirmed booking, choose available dates or decline the offer.

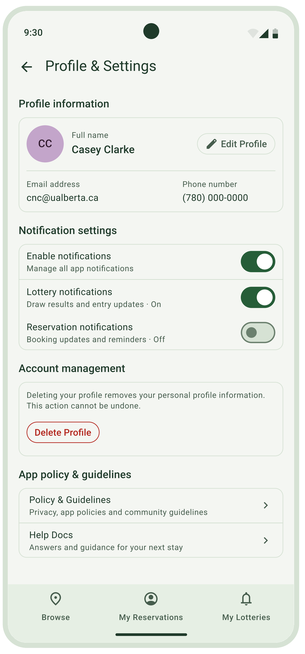

My Lotteries

Track lottery entries and see whether each entry is ongoing, won or lost. Review draw dates and leave an ongoing lottery when you no longer wish to participate.

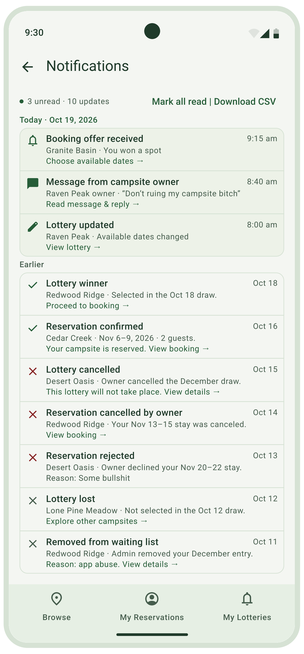

Campsite Details

Explore the campsite description, location, capacity, amenities, rules, host and guest reviews. Switch to the Lottery tab to view available lotteries for this campsite.

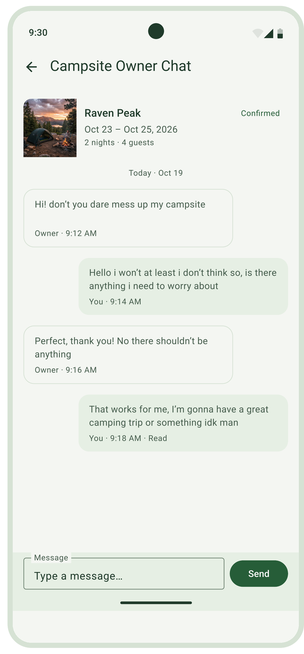

Profile & Settings

View and edit profile information, manage notification preferences, and access policies and help. Account deletion opens a separate confirmation step.

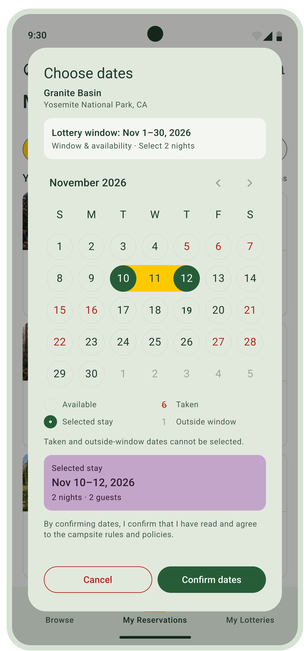

Notifications

Review booking offers, owner messages, lottery updates and reservation changes. Open the related item, mark notifications as read, or download the notification history.

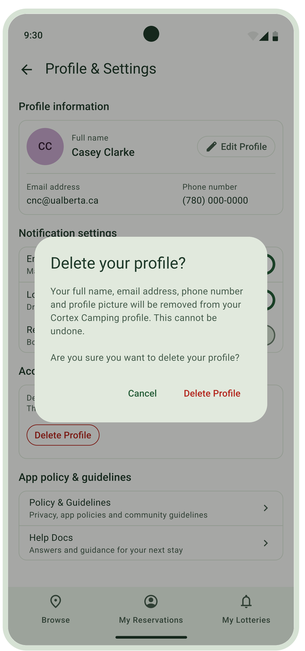

Reservation Messages

Read and send messages to the campsite owner about a reservation. The booking summary keeps the campsite, stay dates, guest count and reservation status in view.

Choose Reservation Dates

Choose available dates within the lottery's stay window for an unconfirmed booking. Review the required stay length and campsite availability before completing the date selection.

Delete Profile Confirmation

Review the warning before permanently deleting profile information. Cancel to keep the profile, or confirm deletion using the red action button.
